**Teachers Day Programme**

A day dedicated to teachers

Teacher's Day is celebrated in India every year on 5th September to appreciate the role played by teachers in the life of students—the leaders of tomorrow. The day is also celebrated to pay tribute to Dr. Sarvepalli Radhakrishnan, former President of the country and a visionary educator. Teachers provide the power of knowledge and education and create possibilities for better future. Amidst the pandemic, ABSPM's Dr.R.N.Lahoti Ayurved college hospital and research institute, Sultanpur, Ta. Lonar Dist. Buldhana celebrated this day with great enthusiasm at seminar hall on 5th September, 2021 at 01.00 p.m. The whole event was meticulously planned by The Principal Dr. D.D. Ovar sir.

The programme was hosted by 3rd B.A.M.S. students and commenced with a shloka recital in Sanskrit by Miss. S.V. Langute. This was followed by a Dhanwantari stwana in the mesmerizing voice of Dr. Prajakta Matarak. The Principal in his address urged the teachers to add value to their pedagogy through experimental learning. The cultural programme unfolded with a dance performance invoking the blessings of Lord Ganesha. Mono act on 'Types of Moms', a comic act on 'The difference between online and offline teaching' and an Indo-Western dance performance added spice to the programme.

Dr. Umare sir spoke on the inherent qualities to be a successful teacher. All teachers cheered and motivated their colleagues with a wide smile. Dr. D. G. Rathod sir in his address stated that events which give a platform for the teachers to display their innate talents need to be encouraged. Dr. D. D. Ovar sir in his presidential address appreciated the efforts put in by the teachers but at the same time exhorted the teachers to gear up to face the changing demands of the audio-visual learners.

The entire programme was applauded by everyone present and will always remain a beautiful memory in the hearts of one and all present.
